

An Easter Scavenger hunt for you!!!

The EASTER BUNNY

First, go and find a crystal cross,

See if the clue will not be a loss.

Read it aloud for your crew.

The note there will bring you to your next to-do.

Above at the table

Below at crystal cross on mantel

Great job! Jesus loves you...

Now you are ready for the next clue.

Look for note in a big shoe ...

Below in a big shoe

Next you will need a beverage for this hard chore.

Here sits the kind you usually like more.

Go there and see if you can find a note in the door.

Below in the garage fridge door

Look next where are sands from many lands.

It is near where you play things with your hands.

See pieces of the world that are small but true,

There you can find the next clue.

Sand vial display

Next find where you sit to view a movie,

Now wait before you flee.

It's not where you keep your feet,

But where you'd take a seat.

Below in back of couch cushion of the green couch

Look where you can heat food quick.

The food will be hot, so never take a quick lick.

Don't think too long or you will get caught.

There you will find a clue to help you in the next spot.

Below in the microwave

Where might one go to find many words bound in a stack?

Keep thinking and you will get the knack.

It's in a thing with a handle that you could carry. Keep it up you,

To find a note that is new.

Below in the book basket

Where might you go to find a ball?

It's not a place that is small.

Think about it, there might be more than 1 to check, it's true.

There in an egg will be your next clue.

Below in ball net in garage

Go somewhere where are things for cooking.

There are also some tasty spices if you're looking.

Inside there are spicy & sweet flavors for your mouth to meet,

Find the next clue there quick if you move your feet.

Below in the spice rack in the cupboard

Go to where there is a TV, one that is small,

All can reach it with a chair, even if not tall.

There you will find the next clue,

Hopefully you will like it too.

Below attached to bar tv

Aha! You found me, this clever note,

Next, I will take you to where you might find a carrying tote.

Inside one you will see...

A clue to where the next note might be.

Below in a bag in the lockers

You are wise, you are smart,

Look next where you did start.

Under that which holds pens hides the next note,

Go find it...be sure if you're the first one there, don't gloat!

Below under pen/napkin holder

You might wonder know, where is our prize?

Please, you might say, please don't hide it from our eyes!

Zoom to a place where you get nowhere but could run & run,

There is where the next note is done.

Below at treadmill or under it

Next you will be finding the prize,

Really, there are no lies.

GOOD LUCK!!!

Here's hoping you get it and don't get stuck.

Go find a green bathroom and find it fast.

It will surely be the stop you like...The last.
