

An Easter Scavenger hunt for you!!!

The EASTER BUNNY presents it anew...

First, go and find a dog toy,

See if the clue will be something for you, boy.

Read it aloud too.

The note there will bring you to your next to-do.

Above at the table

Below in dog toy basket.

Great job! Always remember you have lots of love...

Now you are ready for the next move above.

Look for note in a red thing near food that holds more water than you can drink ...

Aww look at you---I made you think.

Below in with red water dispenser

Next you will need to find something that sticks to itself.

It's the kind you can make castles with yourself.

Go there and see if you can find a note to help you score.

It will give you the next clue in store.

Below in magnets

Look next where there are things to wear.

It is near where they get wet and cleaned with care.

There you will see things on the floor,

There might even a towel or more.

Below in laundry room under clothes on floor

Next find where you keep favorite movies you seek,

Go on over and take a peek.

It's not where they are on a screen,

For the next clue, you will have to know what I mean.

Below in movie bin

Look next where your feet hit.

This place can adjust for all people to get fit.

Don't think too long or you will get caught.

There you will find a clue to help you in the next spot.

Below at treadmill

Where might one go to find a song?

Keep thinking so you aren't wrong.

It's a thing you can turn up or down,

It's black, not brown.

Below by stereo

Where might you go to find clean dishes?

It's near a place with monkeys for fishes.

Think about it, it's true.

There will be your next clue.

Below in sink

Go somewhere where it can stink.

There are is water you can't drink.

There you will not find a treat,

Find the next clue there quick! Do not accept defeat.

Below in behind basement toilet

Go to where there is a bed,

You can sleep if a nap is needed, it's not the color red.

There under something soft you will find the next clue,

Hopefully. you will like it too.

Below under office mattress

Aha! You found me, this clever trick,
Next, I will take you to where hair gets slick.
Behind it you will surely see...

A clue to where the next note will likely be.

Below with gel in the bathroom

You are wise, you are smart,

Look next where you might find something is taken apart,

There are all the colors and marbles with another note,

Go find it...be sure if you're the first one there, don't gloat!

In marble run box

You might wonder to know, where is your prize?

Please, you might say, please don't hide it from our eyes!

Zoom to a place where it will be quiet,

That is where the next note will be, go and try it.

Below in sound room

Next you will be finding the prize,

Really, there are no lies.

GOOD LUCK!!! GOOD LUCK!! GOOD LUCK!!

Here's hoping you get it and don't get stuck.

Go find a game and find it fast.

It will surely be the stop you like best...Aha! The last!
